

Public Energy Forum

Wednesday, November 19, 2008

6:30 pm — 8:30 pm

Western Iowa Tech Community College—Rm B138

4647 Stone Ave • Sioux City, IA

The Office of Energy Independence invites you to express
your ideas about Iowa's energy future.

This is your chance to discuss topics such as wind
development, various biomass feedstocks, and energy
efficiency.

For more information, contact Sherry James at 515.281.0187
or visit <http://www.energy.iowa.gov>
